### April 15<sup>th</sup>: Fish Printing

Session Cost: \$20

The Arts Garage, Port Clinton

Learn the ancient Japanese practice of Gyotaku, or fish printing. Participants will watch the process of fish printing and will embellish your choice of a yellow perch or sunfish to take home.

### May 20<sup>th</sup>: Bird Hike

Session Cost: \$20

Magee Marsh Boardwalk, Oak Harbor

Go on a guided bird hike with Black Swamp Bird Observatory. Learn about their mission as well as tips and tricks to appreciating birds and nature.

### June 17<sup>th</sup>: Native Gardening in Small Spaces

Session Cost: \$15

Misty Mushroom, Oak Harbor

Misty Mushroom has been adding native plants to their acre space for six years, having at least 130 different native species. Tour will include learning about and visiting a 2,500sq ft permaculture orchard, vegetable gardens and native plant landscaping.

### July 15<sup>th</sup>: Wetland & Wildlife Research

Session Cost: \$15

Winous Point Marsh Conservancy, Port Clinton

Participants will hear from current graduate researchers about their research at Winous Point. Weather permitting, we will spend time outside assisting staff with handling and sampling birds and enjoying the marsh evening.

### August 19<sup>th</sup>: The Dirt on Farming

Session Cost: \$15

Gargas Farms, Genoa

Have you ever wondered what the day in the life of a farming family looks like? Learn all about what goes into their farming decisions and practices they have on the land for crop stability, soil health and water quality.

### September 16<sup>th</sup>: Timeless Blooms: Dried Flower & Wreath Making Workshop

Session Cost: \$40

Location TBD

Becca Mathews with River Bend Homestead will show us the best varieties to grow for drying, learn preservation techniques and craft your own dried flower wreath to take home.
